Subject:-Professional Examination of Deputy Engineers, Extension of time limit.

Sir,

I have to bring to your notice that my increment which fell due on 8-6-1945, has been witheld by the accountant General, Bombay because I have still not passed the Professional Examination As I was appointed Deputy Engineer, on probation from 8-6-1942, I should have, according to the rules, passed the Examination before 8-6-1945, i.e.within three years from the date of the said appointment I have, however, to bring to your notice that on 19-7-1942 while I was working as only a candidate in B.S.R.Class III, I was deputed to the Army. I was recalled from active service overseers by the Government of Bombay owing to the shortage of hands in the P.W.D. and given Sub-divisional charge for the first time in the department on 1-3-1943, on joining duty.

While I was a commissioned Officer in the Corps of Indian Engineers, my duties were widely different and I spent most of my period of deputation abroad in the field completely served from all connections with this department for two years and a half. Even while in the Army I spent half of my time attending Military Schools in India and the Middle East and passed Examinations in the subjects like Administration, Military law, Language, Field Engr. Bombay disposal technique, etc. under very strenuous conditions.

In view of the facts mentioned above, I have to request you to grant me extension of time for passing the Professional Examination upto 1-3-1948, i.e. I should be permitted to pass the Examination within 3 years of the date of my taking charge in the department for the first time.

Your most obdient servant.

S.B.(I).

Mr.J.P.Naegamvala was appointed Deputy Engineer on probation from the 8th June 1942. The Accountant General, Bombay has accordingly refused to grant Mr.Naegamvala the increment which fell due to him on the 8th June 1945 as he had not yet passed the profl. examination of Deputy Engineers. Mr.Naegamvala has represented that as he was deputed to the Army on the 19th July 1942 and was given a sub-divisional charge in the P.W.D.only as late as the 1st March 1945. he should be granted an extension of time for passing the required profl.examination upto the 1st March 1948.

2. The Superintending Engineer, Southern Circle, has recommended Mr.Naegamvala's request for extension of time upto the 1st March 1948. Please see rule 3 of the rules for the Profl. Examination of Deputy Engineers. In view of the Circumstances of the case, it is for consideration whether the required extension of time may be granted to Mr.Naegamvala. If so Mr.Naegamvala may be informed as in the case of Mr.D.S.Borkar and B.P.Mistry. that the question of the grant of increment to him will be considered on his passing the necessary profl.examination. The Politi al and Services Department may see u.o.

The above proposal finalises an officer who has been on ~~Military~~ Military service.

He should be ~~serve~~ given his increment from 8/6/45 and be allowed extension up to 1/3/48 to pass his professional ~~examination~~ examination

Letter No. G. 56. dated the 4th November 1946, from the Executive Engineer, Bijapur Division to the Superintending Engr. Southern Circle, Belgaum, regarding Professional Examination of assistant Engineers Class I.

.....

"In accordance with G.M.P.W.D. No. 6373/27-E dated the 28th March 1940, the rules regarding the professional Examination of Assistant Executive and Temporary Engineers given in appendix I-A of the Bombay P.W.D.Manual (1st Edition of 1929)are applicable to the officers in the Bombay Service of Engineers Class I.

2. According to Rule 2 of Appendix I-A P.W.D.Manual of 1929, quoted above the officers are required to pass the Examination with-in three years from the date of his first appointment.

3. I have been promoted as Assistant Engineer, Class I, in Bombay Service of Engineers with effect from 15th June 1946, vide G.R.P.W.D. No.3297/36 dated the 15th June 1946. I, therefore, presume that the period of 3 years is to be counted from date of my promotion i.e. 15th June 1946. Kindly let me know whether my presumption is correct."

2. Mr.Haegamwala was recruited directly to the D.S.E.Class II and has yet to pass the Professional Examination prescribed therefor within the extended time limit upto 1st March 1948, as authorised in Government Letter No. 630/36-E(I) dated the 2nd January 1946 In G.R.(P.W.D.)No. 3297/36 dated 15th June 1946, he has been appointed as an officiating Assistant Engineer in B.&.B.(Class I) with effect from 15th June 1946.

3. Since he is not a direct recruit to Class I service, it is a point for consideratin as to -

i)whether he should pass the Professional Examination for class II as per para 2 above.

or.

ii)whether he should pass the Professional Examination for Class I,

prescribed in the accompaniment to G.R.(P.W.D.) No. 630/36 dated 9th October 1942. If the latter, the date from which the three years should be reckoned may please be intimated.

Subject:- Professional Examination of ---
Assistt. Engineers recruited directly
to the B.S.E.Class II.

Mr.B.G.Navale, Deputy Engineer working in Poona Irrigation and Reseach Division desires to appear for the Professional Exam. of Deputy Engineersin B.S.E.(II) this year which is to be held from Monday the 27th June 1949.

2. As the Deputy Engineer since his appointment is working in Poona Irriga.& Res.Division which is mailly dealing with the problems of 'Land Drainage and allied Irrigation research matters' has not got sufficient experience in the subjects of Irrigation and Roads and Buildings vide Rule 9 of the Rules for the Professional Examination of Deputy Engineers in B.S.E.(II) printed as an accompaniment to Government Resolution P.W.D. No. 630/36. dated 9/10/42. Mr. Navale, therefore, naturally desires to be examined in that subject As the question of 'Land Drainage' is an important problem in itself, I recommended for its inclusion in the curriculum. In Sind.'Hydro Dynamics(and 'Land Drainge' were incumded as optional subjects for Professional Examination of the P.W.D. Officers I am accordingly examination of the P.W.D. Officers. I am accordingly examining Mr. Navale in that subject and co-opting the Executive Engineer of that Divison as a3rd member for setting up the necessary question papers in anticipation of Government approval.

Government approval to the action taken by me is requested early.

Mr.J.P.Naegamvala was appointed Dy.Engr. on probation from the 8-6-1942. He had accordingly to pass the Profl.exam-n.for Dy. Engrs.

Naegamvala was deputed to the Army on the 19-7-42 and given a sub dnl. charge in the P.W.D. on the 1-3-45. he was given an extension of time for passing the examn. upto the 1-3-48. Mr. Naegamvala has been promoted as an Asstt. Engr. to the B.S.E.Cl.I with effect from the 15-6-46 in an officiating capacity. He accordingly presumes that the period of three years for passing the profl. examn. is now to be calculated from the date of his promotion viz.the 15-6-46. The S.E.S.C. has raised the point as to the date from which the three years are to be reckoned and also as to whether Mr. Naegamvala should pass the profl. examination prescribed for Dy. Engrs. in the B.S.P.Cl.II or Asstt. Engrs. in the B.S.E.Cl.I. As Mr. Naegamvala is not a directed recruit to B.S.E.C. .I.he will presumably have to pass the profl. examn. for Dy.Engrs in B.S.E.Cl.II by the 1-3-48, the date of expiry of the extension of time granted to him in G.L.No. 630/36-E(I) dated the 2-1-46. The S.E.D.I.C.'s letter under disposal is self explanatory. It is for consideration whether his proposal to include the subject of "Land Drainage" in the Syllabus for the professional examination of the Asstt.Engrs. in the B. E. Class I. The Dy. Engrs. in the B.& E.Class II, and the officers of the same states and rank in the General Provincial Services, may be accepted or whether the remarks of the other S.E. the P.H.E. on the Proposal may be called for in the first instance. A

2. The S.E.'s action in examining the B.G.Navale, Dy.Engr. in this subject does not seem to be correct unless and until the subject is included in the syllabus for the professional examination in question. It is for consideration whether the S.E. may be informed accordingly or his action may be approved . 7

3. If the proposals at 'A' & 'B' above are approved the papers may be refd. u.o. to the P.& S.D. before the necy. drafts are put up.

Id/- 11-6-49.

'Land Drainage' may be included as an optional Subject in the syllabus for the professional exam. of Engineers.

S.E.D.I.C. action in examining Mr.Navale in the subject of 'Land Drainage' may also be approved as a special case.
